## Politics - Legislative Bills At A Glance

Presented by The Lombardo Group, ABATE Lobbyist

**AB 43 FRIEDMAN (D – GLENDALE, CHAIR OF ASSEMBLY TRANSPORTATION). TRAFFIC SAFETY.** This bill would require, beginning June 1, 2022, and every 6 months thereafter, Caltrans to convene a committee of external design experts to advise on revisions to the Highway Design Manual. This bill would extend the period of time a prima facie speed limit may be justified by an engineering and traffic survey, as specified, if a registered engineer evaluates the section of the highway and finds that there has been an increase in traffic-related crashes. (TRACKING/MEETINGS WITH STAKEHOLDERS)

\*Passed Senate Transportation Committee 7/13/21, referred to Appropriations Committee

**AB 122 BOERNER HORVATH (D – OCEANSIDE) VEHICLES: REQUIRED STOPS: BICYCLES.** This bill would require a person riding a bicycle, when approaching a stop sign at the entrance of an intersection, to yield the right-of-way to any vehicles that have stopped at the entrance of the intersection, have entered the intersection, or that are approaching on the intersecting highway close enough to constitute an immediate hazard, and shall continue to yield the right-of-way to those vehicles until reasonably safe to proceed. (TRACKING/MEETINGS WITH STAKEHOLDERS)

\*Passed Senate Appropriations Committee on 7/15/21

**AB 232 Gallagher (R – Yuba City) Off-highway vehicles: reciprocity.** Existing law requires every off-highway motor vehicle that is not registered under the Vehicle Code to display an identification plate or device issued by the Department of Motor Vehicles, with certain exceptions, including an off-highway motor vehicle with a currently valid identification or registration permit issued by another state. Except as otherwise specified, a violation of the Vehicle Code is punishable as an infraction.

This bill would permit application of that exception only if the other state recognizes an identification plate or device issued by the department as valid for use in that state. (SUPPORTING)\* Passed Senate Appropriations Committee on 7/15/21

## Bills At A Glance continued

### AB-1512 BAUER KAHAN (D – ORINDA) OFF-HIGHWAY VEHICULAR RECREATION: CARNEGIE STATE VEHICULAR RECREATION AREA: ALAMEDA-TESLA EXPANSION AREA

This bill would require the department to preserve, in perpetuity, land known as the "Alameda-Tesla Expansion Area," which is currently part of the Carnegie State Vehicular Recreation Area, for conservation purposes, including for nonmotorized public recreation, as provided. The bill would require the department to work with other entities to have \$9,000,000 appropriated, transferred, or donated to the Off-Highway Vehicle Trust Fund for these purposes, as specified. (OPPOSE)

Dual Similar Bill, SB 799 Glazer, same District - Bill Vetoed by Governor in 2019.

\* Passed Senate Appropriations Committee

### SB 66 ALLEN (D – SANTA MONICA) CALIFORNIA COUNCIL ON THE FUTURE OF TRANSPORTATION: ADVISORY COMMITTEE: AUTONOMOUS VEHICLE TECHNOLOGY.

This bill would require the secretary to establish an advisory committee, the California Council on the Future of Transportation, to provide the Governor and the Legislature with recommendations for changes in state policy to ensure that as autonomous vehicles are deployed, they enhance the state's efforts to increase road safety, promote equity, and meet public health and environmental objectives. The bill would require the council to be chaired by the secretary and consist of at least 22 additional members, selected by the chair or designated, as specified, who represent, among others, transportation workers, various state and local agencies, and a disability rights organization. (SUPPORTING)

\* Referred to Assembly Appropriations

### SB 227 JONES (R – SANTEE) OFF-HIGHWAY VEHICLES.

This bill would require, for the issuance or renewal of a competition identification, a specified configuration for the vehicle identification number and product identification number for an off-highway motor vehicle or ATV that is model year 2022 or later and is used solely for competition not on a public highway. The bill would impose restrictions on the operation of a competition motorcycle or ATV on public lands, including, among others, a requirement that a rider possess a current and valid competition card from a competition-sanctioning organization when practicing for a sanctioned event on public lands. Because operating a competition motorcycle or ATV on public lands in violation of those requirements would be a crime, the bill would impose a state-mandated local program. (SUPPORTING)

\* Referred to Senate Appropriations Committee

SR-41 CABALLERO (D – SALINAS) MOTORCYCLE PROFILING: According to the Department of Motor Vehicles, there were 857,273 motorcycles registered in California in 2019. Motorcycle profiling is the illegal use of the fact that a person rides a motorcycle or wears motorcycle-related apparel as a factor in deciding to stop and question, take enforcement action, arrest, or search a person or vehicle with or without legal basis under the Constitution of the United States. Rallies to raise awareness and combat motorcycle profiling have been held in multiple states and six times at the California State Capitol since 2011.

\* Passed Senate Floor Unanimously 39-0 on 7/12/2021

## Membership Chair Report written by Sporty Milligan

Hello All! Hopefully your Local's members are renewing their memberships. They are the back bone of your Local. Keeping members informed will let them know what's happening with ABATE and on the political scene.

Without new members your Local may start to stagnate. There are many ways to find new members - at bike nights, club runs and local events. Carry the blue membership cards with you.

To prepare for the membership pitch you need to have a working idea of what ABATE is about. So, rehearse your pitch beforehand. Doing this will make it easier to approach folks.

At bike nights, runs and bike events, set up an ABATE booth to attract folks.

ABATE Membership Chairman Sporty Milligan

**Executive Director's Report****by Rick Robison**

ABATE of California Members, I hope this message finds you and your love ones safe. As we approach the end of summer, I am assuming your Locals are getting back to normal meetings? 2021 has been another rough year for ABATE of California with the pandemic effecting our runs and meetings. Last month we sent out our fundraising letter with a fantastic response. It's not too late, if you have some funds you or your Local would like to send to ABATE, you can send the funds directly to the office or you can use the website to send donations.

We have been working on the ABATE of California website trying to get it more "user friendly" with the help of Moonie from Local 20 who has been spending lots of time to update the page.

If you want to join ABATE of California or renew, this can be done on the website. You can also donate funds on our page as well. You can read about the history of ABATE as well as some of the accomplishments of ABATE of California.

We also have many more things to check out on our page. You can check out the bills we are currently working on in Sacramento. You can download or read the latest Bailing Wire and even check out past issues, and you can find an ABATE Local in your area. Please take a minute to check out our page: [www.abate.org](http://www.abate.org)

This month we are saying goodbye to a big supporter of ABATE and a huge fighter for Motorcycle rights in California. Many of you know Spike, he is moving to Virginia, but he will stay involved in ABATE of California behind the scenes. I have been friends with Spike for almost 20 years. He was a big part of ABATE Local 20. I am going to really miss him helping out with meetings. He has resigned his positions with ABATE. If you know him, I think you know he will always be a fighter for Motorcycle rights! Cheers my friend!

On another note: ABATE of California had our quarterly Board of Directors meeting in June in Ontario, California. It was well attended. If you can make it out for our last quarterly meeting for 2021, it will be coming up in October. Keep your eyes out for the exact time and place. Until then please keep up the work you are all doing for ABATE of California. This organization would not be possible without the help of each and every member. Thank you!

## Latest Legislative Information From ABATE

California has always allowed valid "out of state" OHV registered vehicles to use our public lands. It has come to our attention that some of our neighboring states have recently implemented a "non-resident" fee for OHV's being operated in their state. By no longer honoring our California registration these states are reneging on a long standing tradition in the OHV community. These new regulations will be expensive and prove onerous to every legally licensed OHV owner that travels and recreates in other states. Our ABATE OHV Division is asking for your help and financial support in fighting this type of legislation. Assembly Bill 2761 sponsored by Assemblyman Gallagher (Republican—Yuba City) seeks to remedy this issue of reciprocity and ABATE of California is asking you to help the OHV communities of our states restore equal access to OHV areas for all legally licensed users.

In addition to AB 2761, Abate of California is proposing two other bills for our elected official's to consider this year. Our first bill would require DMV to allow rider's to take both the M/C skill's test and their DMV written exam during their CHP certified M/C training classes. After a rider successfully completes and passes both tests the school would submit the information to DMV and they would issue a valid M/C endorsement card by mail to the rider that is valid for the duration of their current California drivers license. Upon license renewal the M/C endorsement would then be added to their new license thereby saving the student the time and expense associated with visiting and testing at their local DMV office.

Our second bill would seek to exempt all M/C riders and especially our Military Veteran riders from being accessed a toll fee when traveling on a toll road within the state of California.

Please help us help you by either joining or making a contribution to ABATE today to help protect your right to ride!

## Lobbyist's Legislative Report

**Lobbyist's Report**  
**by James Lombardo, Sr, Lobbyist**  
**The Lombardo Group - Government Relations**  
**916.424.1148 [info@lombardogroup.net](mailto:info@lombardogroup.net)**

Senate Resolution 41 Caballero (D – Salinas) passed the Senate on unanimous vote of 39-0! After all the years of work by many from the motorcyclists working group, gathering information such as the study of Motorcycle Riders being profiled and other support documents, we were finally successful in passing SR 41. Many Thanks to Bobby Tabaldo, Gil Mellon, Steve Howe, Chuck Pederson, Spike, Nick Benson Sr., Shawn Mahoney, Nick Haris, and Mynette Boykin with so many apologies to any of those supporters I left out! This of course is only the beginning as SR 41 calls upon the many Law Enforcement departments (Sheriffs and Police) to meet with our group and to come up with suggested legislative solutions to ongoing Profiling by the Police against Motorcycle Riders! Much more work to be done! Stay Tuned...

The Legislature is back from recess as of August 16th and adjourns Session on September 15th. This is the time of year we have to be on our toes because bills are completely gutted and changed to a different bill entirely. If any hostile Anti-Motorcyclists bills appear, we will send out an ALERT! Many of the other bills are moving through the process, go see our Legislative Update Bills At a Glance in this issue of the Bailing Wire.

Thanks again to ALL the Locals and Members who contribute to the Dedicated Lobbyists Fund! Safe Riding - This Weather's been Great!

## ABATE of WASHINGTON Safety & Education by Texas Larry Walker

*"Texas" Larry Walker is a nationally certified Rider Coach for the novice, intermediate, and advanced training. He is the Senior Instructor for Navy Region Northwest, a long-time motorcyclist rights advocate, with well over 40 years of riding experience.*

When was the last time you took any training? Before you hit me with the traditional response of "I've been riding since Noah was a mess cook, I don't need to do that stuff," reconsider. I've been riding for over 40 years, and I teach motorcycle skills for a living, and I still get to training every year. It always pays off in spades to get a fresh set of eyes on me to keep the skills sharp.

There is a lot more stuff out there than just the basic course for novice riders. With the new paradigm in licensing, i.e., advanced testing for full endorsements, the vendors are putting up more advanced training, such as the MSF Advanced Riders Course. It is a level 2 parking lot course, but it will definitely help you up your game. Skills learned at lower speeds in a controlled environment translate directly to the higher speeds of the open road. Beyond that, there are street-oriented classes on closed courses (tracks) that work on developing better vision and line selection in curves and improved active use of the brakes to "tune" the bike while in motion. After that, there are many providers that run actual track days that have classroom instruction as well as in motion demonstration of techniques.

Any of the offered training is appropriate for any style of motorcycle, from big bore road sofa to sport bikes. The techniques are the same, merely the seating position changes.

Finally, before you push back about the \$250-\$350 price tag, price repair parts for your bike, gear replacement, or medical coverage. The price to help you prevent that stuff seems pretty reasonable.

## Welcome to our new State Treasurer Tom Jones

At our July Board Meeting Tom (Local 1) was nominated and accepted the position of State Treasurer, a position that has been open for a couple years. We are all excited to have Tom jump in and get involved in this part of our organization.

Congratulations Tom!

## RAFFLE WINNER

### ...AND THE WINNER IS!

The winner of our 2021 Membership Drive Raffle is George Robinette. Although not a member of ABATE Sporty sold this ticket to an old biker friend of his at a meeting.

CONGRATULATIONS GEORGE!

## Sporty's Rides

Okay first off, my thoughts on the latest political climate. Our resolution SR-41 passed the Senate floor 39-0. We must be doing something right or they just wanted to appease the bikers with a vote of this magnitude on the Senate resolution SR-41.

On the other hand, we now have to turn the resolution into a bill. We will have to do some planning to make this happen. How this works out will depend on the anti-profiling collation and the senator's next move. Keep tuned-in for future information

With that said, I will now get to the meat and potatoes portion of the column. That's where I talk about the adventures of Sporty Milligan. I start out with the preparation for my club's 7th annual Shaggers Tehachapi Mountain poker run and campout. The run will take place August 20th - 22nd. I have made it my job to help spread the word by passing out the run card flyers made possible by the Motorcycle Attorney firm Russ Brown.

I passed out flyers at the Rock Store, Neptune's Net and at the dealerships of Glendale HD, Mulholland HD, and Bartels HD. These are some of the places I put out flyers for runs or events that I support.

Anyway, if I have done my job successfully, we will have a decent turn-out. More on that in next month's column.

July 25th was the 25th annual Sweaty Buns run put on by ABATE Local 2. Like the Shaggers run, I help support my ABATE Local neighbors by helping pass out the card flyers they had for their run. The day of the run, I told Local 1 member, Odie, to meet me at the start in Simi Valley at the Old Santa Susana Café. From there we proceed to take an hour ride to the first check point, the Boney Mountain Pizza in Newberry Park. From there we headed out to the Rudder Room in Oxnard. The run ended at Chuy's Mexican restaurant in Simi Valley. We had a nice lunch and won some nice raffle prizes. I also won the 50/ 50 raffle! Good fun, a good ride and the folks at Local 2 made their 25th annual Sweaty Buns run a good time for all.

August 5th was the August monthly bike night at Mulholland HD. When I arrived, the vendors were set up and the event was in full swing. This time we did not have a HOG Chapter booth. I just enjoyed the event and passed out flyers for the Shaggers campout later in August.

The final trip was the Calabasas then King's Highway HOG Chapter at the Canoga Park Elks Lodge. We had breakfast then did our meeting. Danny from the CHP gave a safety talk and then I talked about ABATE for 5 minutes. We closed the meeting with a money raffle that I did not win. After the meeting, Danny and his crew did a demonstration. Those who wanted could join in. These are cool.

There you have it! Another thrill packed adventure in my life!

Do ABATE events when you can. And please be careful out there.

## Welcome our New Assistant Membership Chair Bill McClennen

My first motorcycle was a 1966 Honda S90 that I used to deliver papers on a route consisting of 103 customers. That began my foray into restorations of Vintage Japanese motorcycles. Much later my corral had as many as 40 bikes at one time. This led me to join the VJMC and later I formed my own club AJMC (All Japanese Motorcycle Club). For the past 11 years I have put together show quality motorcycles for IMS the International Motorcycle Show in Long Beach, where all the Big Boys show up to display the latest models and let you ride them too.

From 2010 to 2014, I chaired the Motorcycle Selection Committee for DPC, (Dana Point Concours d'Elegance) displaying 60 pristine motorcycles in the last year. As a further endeavor, I have a monthly booth at the Long Beach Swap Meet, promoting my club and displaying a donation box for passersby to donate to ABATE of California, in which I have been a member in Local 8 for 6 years. I look forward to working hand in hand with Sporty to add a bit of the technical to our State Membership Communications so expect to be hearing from our Membership Team a bit more.

Bill McClennen

## 2021 Annual Appeals Letter

Every year we ask our members and friends to help us in our pursuit of "Freedom of the Road." Your generosity helps us maintain and improve our service to you, our motorcycle community. We are honored to list you as a donor and sincerely appreciate your involvement with our organization. Thank you for your sacrifice, generosity, and above all, your faith in ABATE of California. We are proud of our long relationship with our California riders and we strive to serve your motorcycle needs to the best of our ability. Your donation will be used as you intended it to be, and we would like to say, "Thank You" and wish you a safe ride on every road you travel.

## LOCAL NEWS

### Local #01 Report - Los Angeles

Hello All in ABATE land! Local 1 is still active and we are doing meetings.

Right now, we have been able to do our meetings at the clubhouse in North Hollywood.

We are trying to get back to the Elks Lodge in Tujunga (10137 Commerce Ave). We'll see for the month of August.

Local 1 has been making their monthly commitments to the state office. However, we might have to do a yard sale to get some extra cash. Otherwise, we're ok.

On a sad note, Local 1 lost member Bruce Hurshe who was Lisa Garbers partner. He died of cancer. RIP Bruce. Reminder, look for new members for the Membership drive and do ABATE runs when you can.

Sporty, President, ABATE Local 1

### Local #38 Imperial Valley

Hello ABATE Members! We had some members traveling to Sturgis and states in between. I hope they had fun, return safe, rested and ready to take on our Turkey and Toy Runs.

Before that in October we will be supporting our friends from the Blue Knight's X. Always a good event. Save the date – Saturday, October 30, 2021.

Getting back to our runs, Donations, Donations, Donations! We need t-shirt sponsors for the 24th Annual Turkey Run and we need raffle and auction prizes.

The Los Ninos Toy Run is celebrating its 30th Anniversary. Volunteer, donate and help make this event special. Cash donations for both runs will be a Godsend. Stay safe, stay cool, stay healthy. Attend our meetings and events. Try and make a difference.

## It is Election Time!

### 2022 – 2023 ABATE Board Members and State Officers Needed

It is that time again! We are in need of talented people who want to work with our organization in the fight for Bikers Rights.

We are in need of 4 willing people to step up for our Board of Directors. The current Board Members who are up for re-election, are: Lee "Sporty" Milligan and Jody Maxwell. This leaves 1 seat open to finish out a term for the 2022 year and 3 seats open to serve 2022-2023.

As well a regular Board Seats, each year we always choose a Chairman of the Board so if that position is of interest please reach out and let us know.

On the State Officer Level any position can be tapped if it is of interest to you as well as the open positions of State Secretary, Assistant Executive Director and Public Relations. Positions that need to be filled so others can retire are Bailing Wire Editor, PAC/Lobbyist Treasurer and Email Blast Master.

Any current Member may nominate another member to be placed on the Election Ballot. The nomination must be seconded by another ABATE Member in good standing. The nominee needs to have been a member in good standing for at least 1 year. These nominations should be made at any Local meeting preceding the cutoff date of September 15, 2021 and then forwarded to the State Office for verification

Once nominated and accepted the information the state office needs on a candidate is: Name, Membership #, Local #, Full Address, Phone # & Email.

All candidates need to submit a biography and picture of themselves to be published in the October issue of the Bailing Wire. All bios must be less than 450 words and submitted in a Word document to [bailing.wire@abate.org](mailto:bailing.wire@abate.org) by September 15th 2021. Your pic must be in (.jpg) format and submitted along with your bio.

Here's some info that should be included in the Bio: Number of years a member, Local #, past and/or current positions held, other qualifications, goals for ABATE, other info that would be useful for members to know. We are picking up steam – come join us in the fight for Bikers Rights in the state of CA.

**HIGHWAY BILL PASSES HOUSE INCLUDING MOTORCYCLIST-SUPPORTED PROVISIONS:** The U.S. House of Representatives passed the "Investing in a New Vision for the Environment and Surface Transportation in America" or INVEST in America Act (H.R. 3684) on July 1, 2021 by a mostly partisan vote of 221-201. The five-year \$715 billion surface transportation and water infrastructure bill directs federal investments in roads, bridges, transit, rail, and clean water programs, and also contains several key provisions benefiting motorcycle riders:

**SEC. 3005: GRANT PROGRAM TO PROHIBIT RACIAL PROFILING** was amended to include grant funding to include "the costs of collecting, maintaining, and evaluating data on the driver's mode of transportation at traffic stops" to help determine biker profiling by law enforcement.

**SEC. 3011: STOP MOTORCYCLE CHECKPOINT FUNDING**, not only expands prohibitions on motorcycle-only checkpoints, but also prohibits law enforcement activities that "otherwise profile and stop motorcycle operators or motorcycle passengers using as a factor the clothing or mode of transportation of such operators or passengers."

**SEC. 3013: MOTORCYCLIST ADVISORY COUNCIL**, reauthorizes the MAC to "advise the Secretary, the Administrator of the National Highway Traffic Safety Administration, and the Administrator of the Federal Highway Administration on transportation issues of concern to motorcyclists," including "barrier design, road design, construction, and maintenance practices, and the architecture and implementation of intelligent transportation systems technologies."

H.R. 3684 specifies that motorcycles must be taken into consideration when the Department of Transportation (DOT) conducts safety studies on autonomous vehicles.

Additionally, the Highway Bill earmarks \$5,760,000 in 405 safety funds to states for motorcyclist safety in the next fiscal year, and increases program funding by more than a third annually through 2025.

Once the Senate passes their own version of the highway bill, both chambers will come together in a Conference Committee to iron out any differences before sending the bill to the President for his signature.

Time is of the essence, as the current surface transportation bill expires on September 30.

**MIC 'RIDE WITH US' INITIATIVE AIMS TO GET "NEW RIDERS, RIDING MORE":** "Ride With Us" -- the powersports industry's multifaceted market expansion program -- has been officially launched by the Motorcycle Industry Council (MIC).

"In late 2019 at MIC's Communication Symposium, we shared the MIC's vision for growing ridership -- more riders, riding more," said Paul Vitrano, chairman of the MIC Board of Directors and senior vice president/senior assistant general counsel of Polaris, in the announcement. "We were excited to begin operationalizing the plan in early 2020, but the pandemic caused us to pause and refocus our efforts on helping powersports businesses remain open."

"While we were navigating the coronavirus, we also were working hard to prepare for the post-pandemic environment," said Erik Pritchard, president and CEO of the MIC. "Our preparation included a number of initiatives tied to each phase of the new rider journey -- Inspire, Explore, Engage, and Integrate -- as well supporting new-rider education initiatives."

The MIC is leading a task force composed of industry-leading marketing talent to help develop the program. As a part of the 'Ride With Us' program, the MIC is also delivering new 45-minute first-ride experiences for people who have never ridden a motorcycle before.

"Our industry has needed a unifying market expansion effort targeting potential and returning riders, and the MIC is delivering it with Ride With Us," said Vitrano. "We urge all industry stakeholders to rally around this initiative as it rolls out to support people at every stage of their journey to becoming a lifelong rider."

**MORE COUNTRIES BANNING GAS-POWERED MOTORCYCLES:** It seems that more and more nations are beginning to adopt a policy of allowing only brand new electric-powered vehicles to be sold in their jurisdictions in the near future, and now Indonesia, Southeast Asia's largest motorcycle market with more than 112-million motorcycles on its busy streets, has declared that no more new internal combustion engine (ICE) motorcycles should be sold in the country by 2050.

Singapore also adopted a similar policy by banning motorcycles they consider "old" from their streets by 2028. India, as well as some European nations, had already enacted similar measures earlier. Now, Canada is the newest country that's taking on drastic measures to significantly cut greenhouse gas emissions.

In a recent announcement from the Canadian government agency, Transport Canada (TC), they are accelerating the complete eradication of ICE-powered vehicles by outlawing them by 2035 -- which is 5-years earlier than the original 2040 plan.

"Today, we take another important step on the road to net zero by accelerating our zero-emission vehicle targets to 2035," said Seamus O'Regan Jr., the Canadian minister of natural resources. "Achieving this target will require all Canadians, and businesses big and small, to embrace the change and go electric."

Like other countries initiating combustion vehicle sales bans, the plan is to end new vehicle sales, and does not mention plans for older vehicles. Most such plans rely on older vehicles eventually phasing themselves out as they become impractical to repair and own over time.

**EASYRIDERS ON THE COMEBACK TRAIL:** Easyriders magazine was known as the "biker's bible" for over 50 years, before ceasing production in 2019, but now Classic Easyriders will kickstart a new era beginning this December, drawing on its rich heritage as an integral part of the biker lifestyle.

"Our industry needs a paper magazine as well as a digital presence now more than ever before, to capture and promote the American motorcycle culture," says editor-in-chief Dave Nichols.

While there will be no nudity as in the original Easyriders, Classic Easyriders ([www.ClassicEasyriders.com](http://www.ClassicEasyriders.com)) will bring readers the look and feel of biker magazines of the 1970s and '80s, with fresh new choppers, bobbers, classic motorcycles and the latest builds by today's top builders. The monthly magazine will also include interviews with biker legends and showcase motorcycle-related parts, products and accessories.
